About Me

Home/About

FOOD

I think of myself as a fun kind of guy, who doesn't mind what we get upto and can always make an awkward situation more awkward for you, but still funny to me.

OUTGOING

If you were to meet me out and about, you'll realise I like to be the centre of attention in most cases, unless I am hungry, then food is the answer to all worries.

FOOD

Speaking of food, I love food. Like, if you need to eat you should, and don't let anything stop you, more recently though I've been eating abit too much.

Synopsis

Edit

Centuries ago, mankind was slaughtered to near extinction by monstrous humanoid creatures called titans, forcing humans to hide in fear behind enormous concentric walls. What makes these giants truly terrifying is that their taste for human flesh is not born out of hunger but what appears to be out of pleasure. To ensure their survival, the remnants of humanity began living within defensive barriers, resulting in one hundred years without a single titan encounter. However, that fragile calm is soon shattered when a colossal titan manages to breach the supposedly impregnable outer wall, reigniting the fight for survival against the man-eating abominations.

After witnessing a horrific personal loss at the hands of the invading creatures, Eren Yeager dedicates his life to their eradication by enlisting into the Survey Corps, an elite military unit that combats the merciless humanoids outside the protection of the walls. Based on Hajime Isayama's award-winning manga, *Shingeki no Kyojin* follows Eren, along with his adopted sister Mikasa Ackerman and his childhood friend Armin Arlert, as they join the brutal war against the titans and race to discover a way of defeating them before the last walls are breached.

[Written by MAL Rewrite]

Background

Edit

Shingeki no Kyojin adapts content from the first 8 volumes of Hajime Isayama's award-winning manga of the same name.

The last episode received a pre-airing in Tokyo, Marunouchi Piccadilly 1 theater on Saturday, September 28, 2013. TV broadcast took place after midnight, a few hours later.

Overall

There is so many amazing portfolio's out there

Cannot wait to learn more eg. Java

This is what I got when 2 weeks ago I knew nothing.. Jon Snow
